

## FOR IMMEDIATE RELEASE

### COLIN MUNROE EP AND EXCLUSIVE SHOWCASE DATES

TORONTO, ON – SEPTEMBER 5, 2006 – Noted Canadian urban producer and songwriter Colin Munroe steps out from behind the boards this September to release a six-track EP featuring songs from his forthcoming album, *Don't Think Less of Me*, scheduled for release in March 2007 via Marked Music Inc./Fontana North.

In the last two years, Colin Munroe has established himself as a go-to producer in Canada's urban music community. In addition to writing and producing 10 songs from the Juno-nominated album *What It Is* by Ray Robinson, his production is featured on upcoming releases by Brassmunk (including *How 'Bout* feat. Moka Only), Divine Brown, Saukrates and Frank n Dank among others. Recently he completed production for an upcoming release on Busta Rhyme's imprint with Universal/Motown and is scheduled to log studio time with acclaimed NYC MC, Sean Price, for an upcoming Duck Down Records project.

In stark contrast to his urban background, the EP and forthcoming album reveals Colin's love affair with Joe Jackson, The Beatles and Tin Pan Alley classics. The resulting songs are an inspired, convincing mix of driving rock rhythms, hooky melodies and soulful lyrics that were written, performed and produced exclusively by Colin Munroe in Toronto's acclaimed Metalworks Studios over a 6-month period.

The EP will be available for purchase online on Monday, September 11 on [www.colinmunroe.com](http://www.colinmunroe.com) and [www.maplemusic.com](http://www.maplemusic.com) and features the single *Your Braids*, mixed by Mark Needham (The Killer's *Mr. Brightside*). *Your Braids* will be available for purchase on iTunes Canada on October 1, 2006.

To promote the release of the EP, Colin and his band have scheduled a 7 day showcase tour from September 10 to September 16 featuring intimate performances in Ottawa, Montreal, Toronto, London and Kingston. These showcases mark Colin's inaugural live performances and are not to be missed.
